REPORT

*“When it looks like the sun isn’t going to shine any more, God put a rainbow in the clouds. Each one of us has the possibility, the responsibility, the probability to be the rainbow in the clouds”*

— Maya Angelou

## *Dear Friends of Arbutus,*

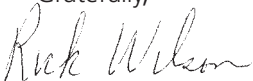

As I reflect on the past year at Arbutus, I wish to express my deep gratitude to you, our friends in giving, who have helped us accomplish so much with your faithful and generous support. It is only through your loyal benevolence that we can continue to offer outstanding care and services to older adults who value a community established in the Christian tradition.

I want to share with you a just a few highlights of our accomplishments made possible with your gifts:

- Plans for the first phase of construction in the spring of 2015 for **Arbutus at Parker Ridge** were confirmed for a number of larger cottages with additional amenities to meet the needs of active seniors.
- Two modern **independent living cottages** were constructed in conjunction with DB Homes on the Arbutus campus and were immediately purchased and occupied.
- Additional property on Nadona Avenue was purchased to construct four **new modern independent living** units which were presold for immediate occupancy.
- Several **renovations** were completed in the Arbutus Park Manor including: a new elevator and updated sprinkler system; the community room was renovated; and through the generosity of the Arbutus Auxiliary, the main lobby was updated and refurbished for the enjoyment of all residents and guests.
- Through the generosity of those who donated to **Rick's Wish List** and by the efforts of Arbutus Team Spirit, an employee driven fundraising committee, central air conditioning was installed on the manor sun porch.
- Residents, families and community members celebrated the second annual **Home for the Holidays** gathering.

The future of Arbutus holds many possibilities for us to continue to fulfill our mission of providing the highest quality healthcare and services to senior adults in a secure, caring, and Christian environment. On behalf of me and the Board of Directors, thank you for being the rainbow in the clouds (as reflected in Maya Angelou's quote) for your untiring support of the Arbutus' mission and vision for today and into the future.

Gratefully,

Rick Wilson, Administrator

## *A Life Remembered*

---

**Herman O. Blasch**

**T***hanks to a generous charitable bequest in his will,* Herman O. Blasch's legacy will help to insure that no resident will be denied care at Arbutus due to a lack of financial resources and to provide spiritual and recreational activities for residents.

Born in 1918, Herman graduated from Johnstown High School and enjoyed a successful career as a sales manager of Monroe International. He enjoyed building grandfather clocks.

A man of great faith and generosity, Herman was a member of the Belmont United Methodist Church and a long-time resident of Arbutus. He graciously contributed to the Christmas Angel and Memory Star Appeals, and special projects like the ice cream machine. Herman answered our prayers and contributed funds to purchase a new bus to transport residents to doctor appointments and field trips. Several years ago, he became a member of the Blossoms Society by notifying Arbutus of his intent to include us in his will with a charitable bequest.

Staff, residents and family members fondly remember him for scooting around campus in his motorized wheelchair bringing a smile to everyone he passed. Herman's remarkable generosity will be remembered for a lifetime and have a lasting impact on the lives of Arbutus residents.
