A MESSAGE FROM OUR ADMINISTRATOR

Dear Friend,

Catch the Spirit! Last year the idea for the Arbutus Senior Spirt Awards was launched. These awards “Recognize, Appreciate and Thank” seniors who volunteer their time and efforts to create positive change in the lives of others. The event sparked a movement beyond an awards event with a mission to create an ongoing campaign to assist seniors with a goal to live an active, meaningful life.

It is in this “spirit” that Arbutus fulfills its mission each day to provide a meaningful life to those individuals we serve. The following donor report highlights stories of people who have impacted the lives of Arbutus residents through their spirit of giving.

As you flip through this report, you will find individual stories of outstanding philanthropic effort, a list of charitable benefactors who support our mission, and tireless volunteers, board and staff, who truly demonstrate a spirit of giving — without all of you, our mission and progress would not be possible.

I am truly blessed to be a part of the Arbutus family and on behalf of the board of directors and staff we are truly grateful for your continued support.

Thankfully,

A handwritten signature in cursive script that reads "Rick Wilson".

Rick Wilson, Administrator

THE SPIRIT OF GENEROSITY

Nancy and George Wargo

A Charitable Gift Annuity — A Win-Win

Nancy and George Wargo are long-time residents of Arbutus. “We moved into our cottage eleven years ago when we were young enough to enjoy all Arbutus had to offer and to have the security of knowing we would have access to health care resources if we needed them,” says George. George is an active volunteer who is often seen escorting residents from Chapel or out strolling the campus with Sassy, the Arbutus therapy dog, one of George’s best friends!

The Wargo’s recently set up a charitable gift annuity to benefit Arbutus. “It is a good investment in the organization, and it offers us a good rate of return. It will provide us income for the rest of our lives,” states George.

A gift annuity is created when a donor transfers cash or securities to Arbutus in return for a fixed payment that continues each year for life, no matter how long the designated annuitant(s) may live. When the annuitant(s) pass away, the remaining principal becomes a gift to the organization.

The Wargos appreciate the enhanced security their gift annuity provides. They can count on receiving quarterly annuity payments and enjoy knowing they are supporting Arbutus. “We like getting those checks each quarter,” remarks George. A win-win for the Wargos and Arbutus.

The Wargo’s spirit of generosity will have a lasting impact on the lives of Arbutus residents for many years.

THE SPIRIT OF HELPING OTHERS

Don and Susie Anderson

The Benevolent Care Fund — Active Giving

Don and Susie Anderson are spending their retirement days filled with active and rewarding experiences. You might find them gliding down the ski slopes of Chili or traveling across the country. At the end of the day, it is their desire to help others that give them the greatest reward.

When asked why they choose to financially support Arbutus, Don replied: "It was easy to include Arbutus in our charitable giving. Over the past thirty years, we've had five or six relatives live at Arbutus, including my dad, Uncle Henry, Aunt Irene and now my mother." The Andersons make monthly contributions to the Benevolent Care Fund to support residents who have outlived their resources.

"We highly endorse Arbutus because we've experienced first hand the quality of care provided to our loved ones. I've visited friends in other facilities, and I'm so impressed with what Arbutus does with limited resources."

We applaud the Andersons for their spirit of active living and willingness to help others.

SPIRIT OF SERVICE

Bonnie Camblin, Business Office Manager

Arbutus is Family

Arbutus is well known throughout the community for having the most caring and compassionate employees. Bonnie Camblin is just one example!

Bonnie has been at the helm of the Arbutus Business Office for 41 years. The spirit of service is in her blood. As the daughter of the late Pastor Don Sease, former Arbutus Administrator, Bonnie grew up with the tradition of service to others.

Bonnie began her career in the 70s, working part-time in the Arbutus laundry while she was a college student at the University of Pittsburgh Johnstown. After graduation, she was asked to help out in the business office, and as they say, the rest is history.

"I really feel at home here at Arbutus. I can't image working anywhere else. Through the countless stories and experiences I've garnered from our residents, I have learned things I would have never experienced at another place of employment," says Bonnie.

Bonnie remarks, "It is a wonderful place to work. I don't consider my responsibilities as service. Through the wonderful relationships I've had over the years, I've gotten back 100 times over what I've put in. The staff, residents and volunteers of Arbutus truly are "family."

A photograph of a pond with a large, vibrant pink lotus flower in full bloom. The flower is surrounded by several large, round, green lily pads. The water is a deep blue-green color. The background is a soft, out-of-focus landscape with rolling hills under a pale sky.

*“It put our minds at ease to know that our loved one
was in such loving hands.”*

— A Resident's Family

*“Arbutus has become my home away from home.
I would not want to be anywhere else. I've made
many friends, and I've had the best of care.”*

— Audrey Prough, Arbutus resident

“There is a light in this world, a healing spirit more powerful than any darkness we may encounter. We sometimes lose sight of this force when there is suffering, too much pain. Then suddenly, the spirit will emerge through the lives of ordinary people who hear a call and answer in extraordinary ways.”
