

Once a resident's first invoice is generated, the resident or responsible party (RP) can create a MyOmniview account.

Visit [MyOmniview.com](https://www.myo omniview.com) to create an account

**1** Complete the required information about yourself

**Omnicare** | **MyOmniview**  
a **CVS**Health company

### Create your MyOmniview Account

Enter your information below. Then tell us about the resident you are connecting to your account by entering their name, community zip code, account number and date of birth. Their account number can be found on their Omnicare account statement.

If you do not have an Omnicare account statement with the account number, you may contact the Omnicare customer service team at 833-477-9390.

All fields are required unless marked optional.

**Your Information**

First name

Last name

Email address

Confirm email address

Password

Confirm password

**2** Complete the required information about the resident

**Request Resident Access**

Resident's first name

Resident's last name

Community/Facility ZIP code

Enter the ZIP code for the community or facility where this resident lives.

Resident's account number

▼ Where is my account number?  
The resident's account number appears on the top right of the account statement with the account number, you

**Statement of Account**

Account No:	OTD0K-8000-174
Invoice No:	PI290700
Invoice Date:	08/04/15
Location:	VILLAGE CARE CENTER
Patient Name:	SAMPLE, JOHN
Amount Due:	61.66

Resident's date of birth  
 **SHOW**  
MMDDYYYY

**Email and text notifications (optional)**

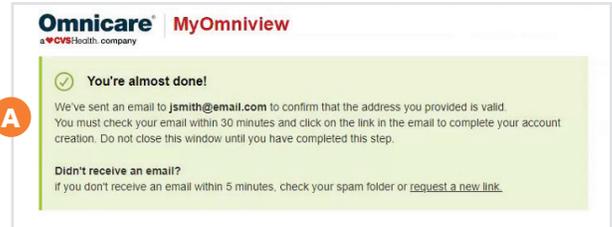

Alerts can include information about prescriptions, insurance, marketing messages, your account, and your profile. You can choose to receive alerts by email, text, or both. If you don't sign up now, you can always opt-in on your profile.

**3** After clicking **Create Account**, you will receive one of the following responses:

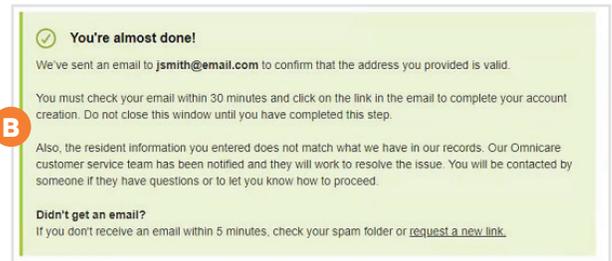

**A.** The resident information has been verified. To validate your email address and complete your account creation, continue to Step 4.

**B.** The resident information you entered does not match what we have in our records. Our Omnicare customer service team has been notified and they will work to resolve the issue. To validate your email address and complete your account creation, continue to Step 4.

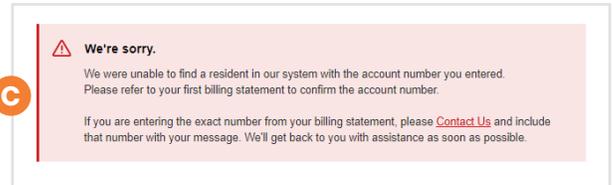

**C.** We were unable to find a resident in our system with the account number you entered. The resident's account number appears on the top right of the Omnicare account statement. If you do not have an Omnicare account statement with the account number, contact the Omnicare customer service team at 833-477-9390.
