

MyOmniview

For residents and
responsible parties.

Omnicare[®]
a  **CVS**Health. company

We make it easier for residents of senior living communities and their responsible parties to manage pharmacy services.

When you choose Omnicare® as your servicing pharmacy, you have the opportunity to take advantage of MyOmniview, which provides 24/7 access to:

An interactive message center

Stay informed and avoid surprises related to your care. Receive notifications pertaining to non-covered medications, missing information, pharmacy invoices, annual enrollment and more.

Maintain and print health records

Quickly access and review medication information, and conveniently print the list of current medications to bring to doctor or specialist appointments.

Electronic invoices and bill pay

Receive, pay and keep track of pharmacy bills within the online payment center.

Resident and community support

Submit questions and concerns directly through MyOmniview, or give us a call at 1-855-538-6664 to speak to a resident support specialist.

MyOmniview is a service available only to Omnicare Pharmacy customers as part of our comprehensive offering. Contact your executive director or resident support specialist at 1-855-538-6664 to learn more.
